## EXPERIENCE

### Web Designer

February 2017 - present

XWIKI SOFTWARE SRL

I created and integrated designs for custom XWiki projects, offered support to the marketing and HR teams by creating digital & print materials. Also, as a proactive interdepartmental employee I added value to the product development and marketing strategies.

### Freelancer

June 2015 - Present

FREELANCER.COM, 99DESIGNS.COM

In september 2015 I start to apply on 99design.com contests on web design projects. It was a good source for briefs and a possibility to take feedback from clients. In march 2016 I won my first paying client, here in Iasi and since then I have increased the number of projects on front-end. Here are some implemented projects and my design portfolio
